Notes:
 (1) Ethernet Adapters and CNAs do not ship from HPE with Optical Transceivers included. Must be ordered separately.
 (2) HPE Switches and Directors have unique Transceivers, AOCs and DAC compatibility requirements. Check QuickSpecs to validate compatibility with the switch being connected to.
 (3) RS-FEC is required for DAC cables greater than 3 meters in length. Verify switch supports RS-FEC before using longer length DAC cabling.
 (4) Optical cables require two transceivers - one on each end.
